Resumed organizational session for 2013
25 and 26 April 2013
Agenda item 4
Elections, nominations, confirmations and appointments

Election of one member of the International Narcotics Control Board from among candidates nominated by the World Health Organization

Note by the Secretary-General

1. The Secretary-General was informed on 14 January 2013 of the passing away of Hamid Ghodse (Islamic Republic of Iran), a member of the International Narcotics Control Board, whose term of office was to expire on 1 March 2017.

2. Article 10, paragraph 5, of the Single Convention on Narcotic Drugs of 1961, as amended by the 1972 Protocol, reads as follows:

> Where a vacancy occurs on the Board during the term of office of a member, the Council shall fill such vacancy as soon as possible and in accordance with the applicable provisions of article 9, by electing another member for the remainder of the term.

3. Since Mr. Ghodse was elected by the Economic and Social Council in 2012 among candidates nominated by the World Health Organization (WHO), in line with the provisions of article 9, paragraph 1 (a), of the Single Convention on Narcotic Drugs of 1961, as amended by the 1972 Protocol, the member to be elected to fill the remainder of the term should be elected from among at least three candidates nominated by WHO.

4. In accordance with established procedures and the provisions of the Single Convention, the Secretary-General, in a note dated 17 January 2013, invited WHO to nominate candidates by 31 March 2013.
